# Two Year Plant Guarantee

Bonide® will guarantee the life of your ornamental tree or shrub for up to **2 years\*** from the date of purchase

## Follow your retailer's planting instructions, as well as these helpful tips:

- Pick an appropriate place to plant by following the instructions on the plant tag.
- Dig a hole 2 times the size of the root ball, mix with existing soil and retailer's recommended soil.
- Apply Bonide's® Root & Grow® over the soil as the roots are being covered with new soil.
- For trees & large shrubs - Use 1 gallon of diluted Root & Grow® (3 1/2 Tbsp. per gal. of water)
- For small shrubs and ornamentals - Use 1-3 pints of diluted Root & Grow® (1 1/3 tsp. per pint of water)
- After planting, wet soil around plant with water.
- Keep the soil evenly moist throughout the entire growing season by watering when necessary. You can test to see if you need to water by sticking your finger about an inch into the soil near the base of the plant. It should be detectably moist, if not, then it is time to water.
- Use Root & Grow® every 4 weeks after planting.

To receive the 2-year plant guarantee from your favorite Bonide® retailer:
